

Northcote Address: 302 High Street, Northcote VIC 3070

Most clinic rooms are located upstairs in Northcote - there is no lift available so clients need to be able to navigate a flight or two of stairs. We are still waiting for old signage to be removed and so from the front it appears as an accounting office, as pictured below:

DWSP
Building

Please allow ample time to park and walk to the clinic as there is street parking on surrounding streets.
